Funding Guidelines

Only MAM affiliated Clubs can apply. All applications will be treated on their merits and highest priority will be afforded to projects in areas aimed at increasing participation, **particularly for young people**. High priority projects are those which are essential or integral to motor sport participation e.g. club development and training.

- The project or program activity should fit one of the following six categories:
 1. Developmental youth projects and programs
 2. Development of grassroots events (cheap entry level motor sport)
 3. Volunteer/ Officials training
 4. Emergency response and safety in motor sport
 5. Membership promotion & participation
 6. Facilities, infrastructure and equipment

All projects must:

- Benefit the club not the individual
- Be beneficial to the community at large

Available Grants	Amount RM	Categories to be included
Level 1	Over 20.000	Must include Categories 1,2,3 as a minimum
Level 2	Up to 20.000	Must include Categories 2 and 3 as a minimum
Level 3	Up to 10.000	Minimum two of the six Categories
Level 4	Up to 5.000	Minimum one of the six Categories

- Preference will be given to projects/programs with an appointed youth development officer, and/or have an active youth development policy.
- A completed 3-5 year club business plan should be provided.
- Applications must demonstrate that the project/program is viable and can demonstrate long-term sustainability.

Please note: Funding *is* limited and the Scheme is only able to accommodate a limited number of funding applications each year but Clubs are entitled to apply again if their request for funding cannot be met the first time. MAM may also maintain a waiting list and reconsider applications should more funding become available.
